WELCOME MESSAGE

“ Welcome to the 2022 9/10 Year-Old Little League BC Provincial Championship being hosted by Dunbar Little League. As President of Little League BC, it is my pleasure to welcome the players, coaches, managers, tournament officials and spectators to this special event. Congratulations to the athletes for their hard work in achieving this significant milestone in their young athletic careers. It is wonderful to be at the ballpark watching these young athletes playing baseball. Thank you to the many volunteers, from the volunteer umpires, to the grounds crews to the concession volunteers to the tournament officials, that make this event possible. I look forward to seeing a great week of games and anticipate many fond memories will be formed by the players, their friends and families.
